Dunnville Central School - May 1, 1923 - Room 4

The school photo this month is one in which I know the names of only two people. Thelma Stephens is the girl on the left in the back row with the big white bow in her hair. The teacher is that little girl in the blade skirt on the right. Her name is Miss West. Only a child herself!

This photo came to me from Barbara Collins of Dunnville. Maybe we can put our heads together and find the remaining names. If you think you know any of these children, please let me know.

Once each month we will have a vintage school photo from Haldimand County. If you have any photos, you would lend me, please drop me a note. Hopefully you will be able to name the children, but if you can't maybe one of our readers can.
