Meeting to be held at Sherbrooke Baptist Church
to Discus Clean-up of Lock.

It is my hope to have lock twenty-seven, cleaned up and given proper credit for the important role it played in the development of the Dunnville / Port Maitland area. This lock remains the only visible lock from the feeder system. A proposal has been offered to Haldimand County, dealing with the subject of the Port Maitland lock, and the Mohawk Island lighthouse. To discuss this proposal, there will be a public meeting at the Sherbrooke Baptist Church at Highbanks, near Stromness, on Wednesday, April 30th at 7:00 p.m. Already there is private support in the form of machinery and manpower to clean up the lock this spring. Please come to hear what is being proposed and to add your ideas and your support.

Meeting to be held at Sherbrooke Baptist Church
to Plan Sherbrooke School Reunion.

Immediately after the discussion about the lock, I would like to meet with former students from both now closed Sherbrooke schools to discuss forming a reunion committee.
